Encore® 300

Proven. Reliable. Durable.

The Encore 300 offers more than you ever expected from an entry-level dispenser. Gilbarco's ergonomic design sets the standard for usability, and a 5.7" display with soft keys provides marketing and branding opportunities.

Customer-friendly

- > ATM-style consumer interface
- > Large brand panels located near eye level to promote your brand

Flexible

- > CRIND® options allow you to strike your own balance between affordability and versatility
- > Available as dispensers, pumps, MPDs, blenders, and high-flow models
- > Customer Interface Module is available in three different positions, depending on the number of hoses selected

Reliable & Durable

- > Electronic calibration reduces maintenance costs
- > Consistent inlet locations make service easier
- > Durable construction and external surfaces sustain their performance and appearance over time

Encore® S

Dispensing more than just fuel.

Gilbarco is redefining the forecourt with the Encore S, a Web-enabled dispenser that offers more of what matters in your world. Available in full color, it delivers improved margins, increased loyalty, and smoother operation—today and in the years to come.

Applause™ Media System

- > Constantly updated promotional content to refresh your messaging
- > Value-added promotions and coupons keep customers coming back
- > Modular platform is easy to expand
- > No changes to CRIND® peripherals or most POS systems required

Unmatched environmental protection

- > Flexible fuel option offers integrated dispensing for alternative fuels, including biodiesel and E85
- > Optional VaporVac® system meets Stage II vapor recovery requirements without nozzle bellows

Advanced security and payment options

- > Better physical fuel protection from a PIN-protected operator keypad, optional meter collar and a variety of cabinet locking options
- > Better payment security options, including a secure card reader, an encrypting keypad, and full PCI and EMV-certified CRINDs
- > More payment options, including RFID contactless payment, cash acceptors and barcode readers

Superior design and durability

- > Optional Ecometer™, the industry's most proven advanced meter, provides improved accuracy to conserve your valuable fuel
- > Easy installation, with a roomy hydraulics cabinet and no below-grade access required
- > Superior usability, with a reliable, high-speed 6" printer, positive feedback grade selects, angled hose outlet castings and ergonomic nozzle boots
- > Superior durability, with a best-in-industry 4-year corrosion warranty, solid metal frame and sheathing with automotive-quality coatings, and a high-quality PPU lens

The Encore® 500 S pump and dispenser product line is the perfect solution for sites with special focus on customer experience, by offering the best technology, and guaranteeing maximum customization for your site's specific needs. This solution comes as a result of the most extensive global consumer market research ever conducted on retail fuel dispenser owners.

Encore® 500 S pumps & dispensers offer new marketing concepts using leading edge technologies to help you stay ahead of changing market needs.

Standard Features:

- 1-year warranty including labor
- 2-year corrosion protection
- Progressive lighting cues
- No pulse, no flow
- Hidden security clasp for pad lock
- Angled hose outlets
- LED display lighting
- 5.7" monochrome screen

Optional:

- 5 digit PPU
- Forecourt merchandising with Applause™ TV or Applause Media System
- Bar code scanner
- Brand view canopy
- ISD ready for balanced vapor recovery
- Rounded and rectangular canopies
- Ultra-Hi Fuel Flow
- Multiple product high-hose pump and dispensers (one grade/three grade)
- 10.4" color screen
- Contactless card reader
- FlexPay™ Encrypting PIN Pad (EPP) *
- FlexPay Secure Card Reader (SCR) *

* under electronic payment integration solution

The Encore Flexible Fuel Dispensers contains all the benefits of the Encore Fuel Dispenser, including lowest maintenance cost and high return on investment, with added environmentally friendly alternatives. Greet a greener forecourt with the redesigned Encore.

With the industry's broadest set of flexible fuel options, Encore offers up to five product selections from one fueling position. It's a smart investment that lets you maximize branding and sales opportunities, while keeping the number of tanks needed to a minimum. All with the unmatched durability and reliability you expect from the industry leader in flexible fuels.

Standard Features:

- 1-year warranty includes labor
- 2-year corrosion protection
- Progressive lighting cues
- No pulse, no flow
- Hidden security clasp for pad lock
- Angled hose outlets
- LED display lighting
- 5.7" monochrome screen (optional)

- 10.4" color screen
- Contactless card reader
- Store & Forward
- SPOT Encrypting PIN Pad (EPP) *
- SPOT Secure Card Reader (SCR) *

* under electronic payment integration solution

The truck stop environment requires rugged fueling equipment solutions that are both durable and reliable, because time is money to you and your customers.

Gilbarco Veeder-Root's Ultra-Hi flow masters and satellites for retail truck stops are made to last and reduce the amount of time it takes to pump and pay. You can sell more fuel during busy periods at your diesel pumps, and your customers get back on the road faster.

Pump up to 63 gpm* combined flow rate when using a master and satellite simultaneously -- with all the convenience of pay-at-pump. It's the fastest way to pump and pay!

Our Encore® S and Legacy® models combine to offer the most rugged, economical and flexible diesel fueling equipment choices.

* Assumes 30 psi inlet pressure. Flow rate for master and satellite used separately is about 32 gpm each. Actual results may vary.

Options

Forecourt merchandising with Applause™ TV or Applause Media System

Bar code scanner
